• PROFILE

Dedicated software engineer with excellent communication, time management, and computer skills. Aiming to leverage my abilities to successfully fill the vacancy at your company. Frequently praised as hard-working by my peers, I can be relied upon to help your company achieve its goals.

• EMPLOYMENT HISTORY

Software Engineer Intern at HIIT PLC, Abuja
May 2019 — January 2020

Interned at HIIT PLC for a period of six months, during the course of the internship I learned some valuable skills which serve as the foundation for me today as a software engineer.

Software Engineer at Scholapay, Lagos
August 2022 — November 2022

I worked with external teams to develop specifications and ensure high-quality deliveries. Also, I designed and implemented solutions using JavaScript and Web Development (HTML/CSS).

Helping to ensure a smooth transition from Figma designs to pixel-perfect apps.

Implemented code review workflow to encourage quality, reusable, and more efficient code. The goal of the code reviews was to identify issues during development before they went into production.

Software Engineer Intern at Devsnest (Fullstack web bootcamp), Remote
July 2022 — Present

Full-stack web development Boot-camp (MERN)

Learned HTML5, CSS3, and JavaScript.

Learned React.JS, Tailwind CSS, Redux, Firebase, Material-UI, Git & GitHub.

Currently Learning Back-end

• EDUCATION
